Message from the Managing Directors

Education is more than the pursuit of knowledge—it is a transformative journey that shapes character, builds confidence, and turns dreams into reality.

At VIMS Group of Institutions, we believe that every student possesses unique potential waiting to be discovered and nurtured. Our mission is to empower young minds by fostering academic excelience, professional competence, and strong ethical values. We strive not only to prepare students for examinations, but prepare them for life—instilling discipline, responsibility, and the courage to dream big in an ever-evolving world.

With experienced mentors, industry-aligned training, and a student-centric learning environment, VIMS is committed to developing individuals who are skilled, confident, and future-ready. Our focus on practical exposure and global standards ensures that our students are well equipped to meet industry expectations and build meaningful careers.

As you begin your journey with VIMS, remember that your **aspirations matter, your dedication counts,** and your future begins here. Move for ward with passion, perseverance, and belief—success will surely follow.

Warm regards,

Avinash Gangan & Aarshalee Gangan

- **Build strong industry partnerships** that enhance employability and global exposure.
- **Create a dynamic learning environment** that nurtures confidence, professionalism, and social responsibility.

OUR COURSES

DIPLOMA IN
CABIN CREW

This is a professional program designed for individuals who aspire to become cabin crew members (flight attendants) for airlines worldwide. The course is often IATA-certified, which adds international credibility and recognition.

Course Objective

- Train students in the skills, knowledge, and etiquette required in aviation hospitality.
- Prepare candidates for pre-employment airline assessments.
- Develop emergency, safety, and customer service competencies.

Benefits of IATA Certification

- Globally recognized and respected in aviation
- Improves employability with airlines
- Training aligned with international airline standards
- Prepares candidates for interviews and airline assessments

Career Opportunities After Diploma

A Diploma in IATA Cabin Crew prepares candidates for a professional career as a **Cabin Crew "Flight Attendant"** with domestic and international airlines. Cabin crew members are responsible for **ensuring passenger safety, comfort**, and service excellence throughout the flight. This includes conducting pre-flight safety checks, demonstrating safety procedures, assisting passengers, ensuring and providing in-flight food and **beverage service**, and handling medical emergency situations calmly and professionally.

With experience, **cabin crew** can progress to **Senior Cabin Crew or Purser roles**, leading the cabin team and managing onboard operations. This career offers global exposure, attractive benefits,

INFLIGHT SIMULATION TRAINING

BBA with IATA Aviation

(International Air Transport Association Certification)

Career Objective

To build a successful career in the aviation and airline industry by applying my knowledge of aviation management, airline operations, global distribution systems, and customer service excellence. I aim to contribute to organizational growth through strong communication skills, operational efficiency, teamwork, and professional ethics while continuously enhancing my expertise in aviation and airline management.

Career Objectives After Graduation

After completing **BBA with IATA Aviation**, *my professional goals include:*

- Secure a position in airline operations, airport management, or aviation services.
- Work with reputed airlines such as **Emirates**, **Qatar Airways**, **IndiGo**, or **Air India**.
- Gain experience in ticketing, ground handling, cargo operations, and airline customer relations.
- Develop leadership skills to grow into managerial roles in airport or airline administration.
- Pursue higher education such as an **MBA in Aviation** Management.
